CHATEAU CALVIMONT

GRAVES WHITE 2018

The 2018 vintage was a real test of patience. The first 6 months of the year were dominated by incessant rainfall and mild temperatures. The weather then changed radically on the 15th of July, marking the start of a hot summer with periods of drought.

The harvest period stretched from late August to late October, with the grapes reaching excellent levels of maturity. This exceptionally long and rain-free harvest period allowed us to fine-tune our picking operations. In the cellar the juices proved to be very consistent, with a beautiful colour.

This was an unusual year with extreme conditions, but in the end, it turned out to be an excellent vintage."

Tasting comment:

Starts out fresh on the palate, going on to reveal aromas of grapefruit rind, green apple and white flowers. Elegant and mineral on the palate, with the smooth texture typical of Sémillon grapes planted on limestone terroirs.
